

Gore Mountain Snow Sports School 2016-2017 Reservation Policy

Advanced reservations are highly recommended for Mountain Adventure Kids Lessons, Holiday Camps, Adult Clinics, and private lessons to ensure your availability and to make your day as convenient as possible.

All reservations are charged in full at the time of booking, and we will send you an e-mail confirming your purchase. Please note programs are in session every day the Snow Sports School is open regardless of weather conditions. During inclement weather we will take indoor breaks as necessary.

If you cancel a reservation more than 48 hours prior to the day of your reservation, you can receive either the full value of your lesson credited towards the same program on another day during the 2016-2017 season, or you can receive a refund less a \$30 processing fee.

Any cancellations less than 48 hours prior to your lesson date will receive the full value of your lesson credited towards the same program on another day during the 2016-2017 season. Please contact us with any questions or adjustments at (518) 251-2411, x1004.
