WARNING TO SKIERS: Downhill skiing, like many other sports contains inherent risks including, but not limited to the risk of personal injury including, catastrophic injury, or death, or property damage, which may be caused by variations in terrain or weather conditions; or, surface or subsurface snow, ice, bare spots or areas of thin cover, moguls, ruts, bumps; or other persons using the facilities; or rocks, forest growth, debris, branches, trees, roots, stumps; or, other natural objects or man made objects that are incidental to the provision or maintenance of a ski facility in New York State.
