

**Gore Mountain Snow Sports School  
2018-2019 Reservation Policy**

Advanced reservations are highly recommended for Mountain Adventure children's lessons, Holiday Camps, Adult Clinics, and private lessons to ensure your availability and to make your day as convenient as possible.

All reservations are charged in full at the time of booking, and we will send you an e-mail confirming your purchase. Please note programs are in session every day the Snow Sports School is open regardless of weather conditions. During inclement weather we will take indoor breaks as necessary.

Reservations cancelled more than 72 hours before the start date will be refunded minus a 15% cancellation fee, or you may choose to receive the full value of your program credited towards the same program on another day. Credits are valid through December 20, 2019.

Any cancellations less than 72 hours prior to your lesson date will receive the full value of your lesson credited towards the same program on another day during the 2018-2019 season. Please contact us with any questions or adjustments at (518) 251-2411 x 1004.
